

WPTCE 2025

IEEE Wireless Power Technology Conference and Expo
Rome, Italy, June 3-6, 2025

WPTCE2025 is the largest event in the world for wireless power research and industry engagement, covering a wide range of topics, applications, frequencies, and power levels.

Conference venue: Engineering Faculty, Sapienza University, Rome, Italy

The WPTCE Organizing Committee invites proposals for **Special Sessions** on innovative and emerging topics on the different technologies for wireless power transmission that have the potential to have a major impact on the field in the near future.

Special Session proposals must contain the following information:

- Title of the proposed Special Session
- Names, affiliations, and contact information of the Session organizers (2-3 organizers)
- Brief biographies of the session organizers Brief description of the proposed theme
- A list of potential authors that can be interested in participating in the Special Session
- A list of potential reviewers

Papers submitted to Special Sessions will undergo the same review process as regular papers, where the Special Session Organizers are responsible for organizing the peer-review process.

If a Special Session has a number of accepted papers lower than six, these may be combined with other special sessions wherever possible or moved to the regular track.

When a Special Session is accepted by the Conference Committee, the organizers will be asked to serve as Session Chairs in the conference. Technical Program chairs and Conference General Chairs might take up the control of appointing the Session Chairs, should the SS organizers be unable to participate in the conference.

The Special Session Proposal must be submitted in PDF format to the email address: wptce2025@gmail.com
