## IEEE Wireless Power Technology Conference and Expo
Rome, Italy, June 3-6, 2025

WPTCE2025 is the largest event in the world for wireless power research and industry engagement, covering a wide range of topics, applications, frequencies, and power levels.

Conference venue: Engineering Faculty, Sapienza University, Rome, Italy

Call for Workshop Proposals

IEEE WPTCE 2025 will be hosting workshops in conjunction with the conference, which will be held in Rome, Italy, from June 3rd to June 6th, 2025. We invite you to submit workshop proposals on hot topic related to the research and application areas covered by the conference.

The proposal should include the following information:

- Title and abstract (250 words) of the proposed workshop
- Event type (workshop or tutorial) and duration (half day or full day).
- Name(s), affiliation(s), contact information and brief biography of the workshop organizer(s)
- Speakers list with affiliations and contacts (45-90 minutes per speaker)
- Duration of the workshop (full day or half day)

The works presented at the workshop will not be submitted to IEEE Xplore for publication. However, accepted presentations will be included in the conference material that will be distributed to attendees.
